FAWAKAY VILLAS

Where private villa meets boutique hotel

29th Nov - 2nd Dec 2019

This retreat is available to anyone wishing to brush up on their own personal makeup skills.

Oozing authentic Moroccan glamour, Fawakay is a relaxed, secluded and enchanting retreat situated just a 20 minute drive from both the heart of Marrakech Medina and the airport - the perfect spot for yoga and relaxation.

The hotel cleverly combines the very best of a boutique hotel and private villa holiday and was voted Winner of the 2018 World Travel Awards for Morocco's Greenest Hotel.

Run by owners Dawn and Francis Boys-Stones, the Fawakay complex is set in 3.5 acres of lush, rose-scented gardens, through which winding pebble paths lead to each villa – and where you are likely to meet the two friendly resident donkeys (Norman and Freddy).

The gorgeous swimming pool area has extensive, luxurious poolside seating for both shade and sun lovers, as well as an expanse of grassy lawn with more seating and table tennis. The fabulous, expansive rooftop terrace with views over to the Atlas Mountains is the perfect spot for sun salutations. At Fawakay it is always easy to find your own space.

In addition to the make-up and wellbeing classes, Fawakay has a hammam and massage room as well as a small shop selling Moroccan clothing, homewares and beauty products. Meals are served either poolside, in the villas or the outdoor dining area. Vegetarian and vegan dishes are available - please just ask when making the booking.
